SPACE REQUIREMENTS ARE BASED ON RUDY RACK STANDARDS. LOCAL ORDINANCES AND ADA REQUIREMENTS MAY VARY BY LOCATION.

If you don't have floor or ceiling space for bicycle storage, we've got you covered! Vertically hang bicycles on virtually any type of wall using the Wall Max. Staggering heights makes it easier for you to store more bicycles while reducing handlebar and pedal interference.

Parking one bicycle each, Wall Max hooks are 2.75" wide; covered in vinyl tubing.
