8-Bike	63"	66"	71"
10-Bike	79"	66"	71"
12-Bike	95"	66"	71"

Two tiers and high storage density make the Commercial Double Decker is one of the best storage solutions available. Capable of storing up to 12 bicycles, this double decker is ideal for areas with limited storage space.

-Bikes are offset to minimize handlebar and pedal interference.

-Modular design gives you the freedom to create the exact bike storage solution you need. Adding security is easy with U-Lock compatible lock bars or security leashes.

-Bottom Tier is E-Bike Rated
