LOCAL ORDINANCES AND ADA REQUIREMENTS MAY VARY BY LOCATION.</small></p>
--------------------------	---

FORMAT	LENGTH	DEPTH	HEIGHT	
			Non Locking	Locking Arms
8-Bike	56"	66"	71"	82"
10-Bike	70"	66"	71"	82"
12-Bike	84"	66"	71"	82"
14-Bike	98"	66"	71"	82"
16-Bike	110"	66"	71"	82"

Two tiers of storage and high storage density make the Condo Wall Double Decker one of the best storage solutions available. Up to 16 bicycles can be stored on the rack, making it ideal for areas with limited storage space. Bikes are offset to minimize handlebar and pedal interference.

Modular design gives you the freedom to create the exact bike storage solution you need.
